Board members present: Liz Burkhart, John Gintell, Ollie Cultrara, René Meade, Matt Reyna, Sam Weiler

Logo Design Update

We have a graphic and are working on finalizing the colors.

Plan for deciding about Fall Camp

Discussion of what our process should be for deciding whether to hold fall camp, including deciding on Covid thresholds and required precautions. Discussion of financial and legal liability. Board agrees we should try for now to plan fall camp because it's possible Covid conditions will be OK in October. Woodstock will likely be our only option. John will poll the Camp Committee about their willingness to organize.

Request for funding for new queer dance

Discussed a request for start-up funding from a queer dance in the Midwest. No decision made yet - Liz to discuss details with the organizer.

Big Picture Vision: Defining Affiliates/Partners

Discussion of historical and current arrangements with affiliate local dances (currently JP Contra, JP English, Rainbow Contra, Village Contra, Circle Left, Hands Four, Queer Camp). Affiliates currently get listed on our website, have access to our email lists, and we can help with cross-promotion of each others' events. We are not able to offer insurance coverage to affiliates. Affiliation is currently free. We plan to update our affiliate agreement document to reflect this so we can offer this relationship with additional local dances to help support gender-free calling in other regions.

Big Picture Vision: Defining Members

Discussion of the purpose and possibilities for defining members of LCFD. We need members at a minimum to vote on bylaws and board members.
